MEN'S SECTION

Sunday 6th November

Guildford 3 – 1 Havant (Haynes x2, Jennings)

On Sunday the Men's 1st XI faced Havant at Broadwater, 4th place playing 2nd (although we have played one game more) with us looking to maintain the positive momentum from last week and strengthen our movement up the table.

Havant have had a good start to the season having strengthened their squad in key areas (amazingly Mr Andy Pett still manages to retain his place in their side) and were looking for 3 points to keep pressure on the University of Birmingham at the top of the table.

Complacency appeared to be a key feature to Havant's play in the first 15 minutes, their 'keeper had spent the previous day with the ginger wizard and had happily told him how we presented no attacking threat and that Mason in goal was 'past it'.

We gratefully took advantage of their lack of intensity and a string of good attacking passes saw us creating good opportunities down both flanks. One such move saw Mike 'lumberjack, but it is good for fines' Rippon set up Jonny Haynes for the first Guildford goal after just 7 minutes. They claimed Mike kicked it, some of Guildford may have also seen him kick it, so in the name of sportsmanship we happily celebrated and claimed the goal.

Ali 'The Wizard' Falconer

Havant slowly woke up and started to create more chances, but with some good defensive lines marshalled by the Wizard and Henn Havant failed to create may real clear opportunities, except for one that saw Mason forget his advancing years to spring (some say unnecessarily) to pluck a ball from under the bar midway through the half.

The second half started poorly for us, with a Havant overhead being taken down by Andy Pett, his accidental first touch created enough space to squeeze a backhand shot inside the near post, 1-1. Once again we sat back a little too far, but our defensive lines held fast and once we started to push forwards again and believe in our ability we started to exert some influence on the game.

A high paced back four transfer led to a first time ball down the left flank from Henderson and it was the tireless Haynes who collected it in the bottom corner. Jonny had been a thorn in the side for Havant all game and the later crowned 'Man of the Match' used his skill and pace to elude 2 Havant defenders, leaving one floundering on the floor doing a 'John Terry v Arsenal', as he smashed it beyond the Havant 'keeper for us to retake the lead.

Havant pressed hard and despite some struggles for us to distribute as well as we would like from defence into midfield, we continued to fight hard and frustrate the opposition. Fortunately Havant's first choice corner flicker was kept on the pitch in case they won a corner (they didn't and his lack of mobility didn't help their cause)

Jonny Haynes

and also their new Indian signing had not been briefed that he could pass and did not need to dribble past our entire defence, so they failed to unpick us and left some spaces that we could exploit.

A brave tackle from Snowy against a wild backhand cross saw him pick up a couple of fractures, we hope he will be back soon, but a team effort saw us finish the game strongly with a last minute corner. Jenno stepped up to the plate and whilst the placement of the shot may not have beaten the keeper, a Havant defender decided that the ferocity meant he would assist the keeper and so deflected the ball beyond him, 3-1! Jenno's muted celebration suggested that his goal was just a bit-part in the overall result. To finish the game off like that would have left us unfulfilled and so Mike duly did the right thing as captain and got his usual yellow card with 30 seconds to go.

3 points gained leaves us in 4th and a trip to Bath this weekend, with a successful outcome will see us back in touch with the leaders.

Saturday 5th November

Guildford 2s 3 – 1 St. Albans 2s (Matt Wood x2, Ian Anderson)

This week's fixture was another bottom of the table clash. Many a rumor was flying around the team of this being the inevitable victory in the 7th match of the season, but with another weaker opposition the handsome bunch knew they would have to maintain the high intensity from Thursday.

During the warm up it became clear that we may in fact be better at football than hockey, especially Face who showed off his ability to run around the centre circle with the ball. Nevertheless, hockey was the sport of the day and the match got underway. Guildford started the better of the two teams with good passing across the whole field. Ben W and Josh had repeated success down the flanks and Al was able to play puppet master in the middle of the

park, pulling all the strings. A good transfer and the opposition's inability to cope with our half-backs flair led to long spells of possession. This was soon rewarded with Woody calmly finishing to give the home side the lead. More home dominance followed and Woody once again found himself on the score sheet, this time coolly lifting the ball over the grounded keeper. For the rest of the half Guildford took their foot off the gas and were lucky to go in at half time with the 2-0 lead. Burder did his best to reduce the gap but lain was on hand to clear the ball of the goal line.

Guildford came out from the hut knowing they needed to step up their game again and started the second half well. With the away team pressing the defense cheap turnovers started to creep back in to the game and some good saves from Hamish kept the score at 2-0. A flowing Guildford move led to a short corner half way through the half. Iain stepped up and noticing the gap between the keepers legs dispatched it home to give the team a 3-0 lead. Relphy found himself in a minor tangle with one of the St Albans forwards. This led to what can only be described as a lengthy battle of words and 'pace', culminating in a 25 yard trundle of shoving and shouting. St Albans then grabbed a goal back through a short corner. There were more tense moments as the players scanned the surrounding areas for snipers, after Josh took a shot to the chest. Avoiding any further casualties the home side saw out the rest of the game to secure the first victory and points of the season, which saw them leap up 3 places to 9th in the league.

Guildford 4s 0 - 6 (according to fixtures live) Croydon and Old Whitgiftians

We came, we saw, and we were conquered.

After driving our souls over to the depths of Croydon, otherwise known as home to Ikea and several Macdonalds restaurants, we pitched up for a royal battle. Despite being the better team, we lost at I think what ended up being 5+ against nil. Jim got man of the match in central defence, Tim, Alex and Moody played assured roles in midfield and work ethic was high (as was Ben he told me from the night before). Then there was the umpire who at the beginning of the game having been told by the oppo a goal shouldn't stand gave it anyway, Dave Cull practicing his french and a number of very good goals scored against it one has to accept.

The other details are already forgotten as we march forward to meet our next weekend challenge. Heads up, sleeves up and hockey sticks at the ready.

Guildford Shadows 9-3 Surbiton 6th XI

Frankly, an unbelievable day for the club. What a team the Shadows are, and what a pleasure it was for myself and Kit, usually 3rd XI players to make our debut appearances. Undoubtedly we would not have been needed in any case, such was the style and fervour with which Steve and his men scythed through the Surbiton ranks. As it panned out, this festival of goals proved profitable for el capitano's new recruits as we collected five goals between us. It must be said

that ours were mostly tap ins as we simply profited from the exquisite Shadows play making. Merely a continuation of current Shadows form to be honest.

A late start followed a professional warm-up in which we actually did some drills AND stretched. Comical. With no opposition referee, the Surbiton captain was ushered into a Howard Webb like role as umpire. Although he himself did a sterling job with the whistle, a 'shadow' was cast over his face as he watched the first few passages of play, a frown that would not disappear for the entirety. Immediately Steve unleashed his dogs of war in wave after wave as Ross, Nick and Kit were instrumental going forward. We scored 3 quick-fire, ruthless and imaginative goals in the first 15 mins, contributions from all whilst remaining solid at the back through Tim, Will, Stumble and both Marcus' - bodies and minds on the line. With the crowd in a whirlwind of hysterical, simpering ecstasy, it was with a cold slap Surbiton returned the favour and scored a well worked goal. 3-1. Crowd moaned.

Instead of collapsing, reminiscent of the English middle order batting line up (circa Graham Thorpe, Mark Ramprakash, Nasser Hussein 2001), the Shadows responded with a characteristic vibrancy and resilience and went on to score again through the magical, demonic Kit Young. 4-1. A long period of frustrated, end-to-end and aggressive play followed accompanied by a flood of whining and whinging on the pitch. Guildford poorly conceded again, and determined to prove ourselves from then on we rampaged through the saddened enemy territory, to put ourselves 6-2 in the lead, with another two brilliant team goals. Kit Young had accrued himself a composed hat-trick (with one stunning break away effort), Jonny Dye also missing a sack full of chances. Nick led the team forward to get his own hat-trick supported eagerly by Ross and Simon, spurred on by Tim and Stevo down the flanks. The untouchables were reigned in pensively, only temporarily as Surbiton scored a wonder goal - a freak - but this was to be there last transaction. Ross, Nick and JD went on to score again to make it 9-3.

We wandered off drained but elated - not even knowing the score for the most part. I think I semi blacked out such was the ferocity of our victory. A really well earned win lads, tactically diverse, energy, passion, it had it all. Thanks for having me along. Why bother going back to the 3s ay? We keep losing.....

Guildford Pilgrims 1 - 10 (ten) Oxford Hawks Men's Vets

Going into this match against an opposition boasting a 100% record of five wins so far this season, three of which included a goal tally in the double figures, and an overall +43 goal difference, we knew it was going to be a tough game. I guess there's always a season or two of 'settling down' after league divisions of different standards are rearranged.

Let's give Oxford Hawks all fair credit; they played harder than us, they were fitter than us (almost to a man), they had comprehensive skill across many players, particularly in the attacking forwards, and they played extremely well as a team.

Unfortunately they also displayed a terrific flair for gamesmanship – a little nudge here, a little knock there, all very subtle and extremely difficult for the refs to pick up on. I don't see the point of that sort of behaviour when you're able win on pure skill and teamwork alone. And they had the cheek to state that it was us that resorted to 'a much more physical approach'! Still, it had the desired effect and it wasn't long before tempers were getting frayed, cross words were spoken and eventually James Turner was given his marching orders for a less-than-subtle follow through with his stick. Interestingly Oxford themselves awarded the grounded player the 'Tom Daley Award for diving' for his antics just prior to this.

I think we went into this game expecting a pummeling and as a result backed off from the confrontation early on — they were 4 goals up before we'd even blinked. It was only after a half-time adjustment to load the midfield did we start to see any sort of constructive defence & counter-attack. All we could manage was a single goal in response.

LADIES' SECTION

Saturday 5th November

Guildford Ladies 1s 3 – 0 Southgate Ladies

The ladies 1s travelled to Southgate to play what looked like a bit of rugby with our white shirts not looking quite so clean afterwards. This was a feisty match with both sides showing passion and hard tackles flying in from all angles. With a new formation that Jenno had explained and answered quite a few questions on.. we were all raring to go and knew that it was time to get our game heads on. Kirsty had a strict word with her trainers to make sure they were going to provide her with the necessary grip to fling her well disguised slap passes and the crowd on the balcony were kept quiet after an early goal from Jade Redfern in the first couple of minutes, JD managed to flick it into the corner of the goal after dribbling around a few players in the D. Alice littlejohns scored the second goal after being left quite unmarked in the circle and Ellie Chapman deflected the third goal from a penalty corner which had us celebrating hard as the game had become a little sour over a few of the umpires decisions. An open game in attack with quite a few more opportunities to score, Guildford have returned to winning ways. A solid win, Ellie Chapman received man of the match as she quite literally ran 26 miles on pitch and thoroughly deserved it. However a special mention must also go to Annabel in goal who made a number of important saves from some well struck hits by Southgate. The final score was 3-0 and we are looking forward to next game on the weekend.

Ladies 2s 2 - 0 London Edwardians 1s

The game plan started at training on Wednesday night with an early Christmas gift from coach Cas in the form of a Christmas tree.

Eds came up with us last year and started the season strong putting them top of the league. We knew they were strong in the middle so Coach Cas chose the Special K formation to keep them out.

We started the game strong, with lots of possession and a high level of aggression. With building pressure we finally got our first goal; a pass from the weeble wobble, Sweeny, to Average who popped it into the goal.

At the start of the second half we lost our concentration and the defence were put under pressure. But we shut them out so our super stand in goalie, Floss, had nothing to do. We finally switched back on and on a quick break from a 16 with a pass to Lou, she took it into the D and struck a beautiful shot into the top of the goal.

It was a hard game with grazed knees and elbows but our Christmas fitness and Special K formation saw us through. A well deserved win ladies!

DOD - Robin for her luminous pink pants with handprints on her ass. Tune in next week for matching bra.

MOM - Cas for her super choice of Special K

Guildford Ladies 3's 2 - 1 Cheam

Match report to the tune of 9-5 (Dolly Parton)

We Tumble out of Bed, get ourselves ready;
To the club nice and early, Yawn, and Stretch, and Try to Come to Life.
Sarah ranted, and the Blood Starts Pumping;
Out on the Pitch, Kate starts us moving, its teams like ours, looking for a win

Training Wednesday nights
We want to start to play well
Barely turning out
It's all talking and no practice.
They just have a laugh, and never seem to get it
It's enough to drive Kate crazy, if she let it.

Cheam had a dream and we watched it Shatter;
Were now a few steps up the hockey Ladder,
with debs at the back stopping things coming our way.
Kat, Helena, Abi, Roz are playing like Friends;
Karen and Vicki getting the ball in
The game has turned and the play starts to roll our way.

Training Wednesday nights You guys now look fantastic

Skilful on the pitch;
The practice seems to be working
Keep it up, as you now all seem to get it
To your captains now, you guys are all are a credit

Man of the match went to Debs (again) for yet another great effort and simply awesome hockey.

Thanks for coming was Kat for jumping onto our handsome umpire Martin.

Guildford Ladies 4s 3 - 0 Richmond 5s

The match on Saturday against Richmond 3s was most definitely a triumph with the final result being 3-0 to us. Play started off slow for both sides, as each tested the others defence, however, things took a turn halfway through the first half when what we thought was a goal (by us) was disallowed. After a confusing confrontation with the umpire we were left with only a long corner and a feeling of dejection. The team quickly pulled together, however, to turn this into determination. True to form and with the help of some great hockey by everyone Ellie went on to score two and Maggs one fantastic goals. For the rest of the match Guildford held their advantage and dominance in play. Laura, Fi and Finn all had some very close misses on goal and the defence remained strong, highlighted by the fact that Ruth didn't seem to touch the ball once! A really great result.

COLTS' SECTION

On Oct 30th 3 teams from the mighty Guildford U10s played against Suribton and Worthing in a series of friendly games:

Mixed Team (Mike) (Katherine, Esta, Amelia, Catriona, Rosie, Billy, Sean)

They all ran their socks off and there was some good play against the sides they were more evenly matched with.

Surbiton - (0-0) DRAW

They all worked hard in this game and really closed Surbiton down and stopped them passing. We even got a few shots on goal in this game and could have won it.

- 2 Worthing 2-0 Loss. Worthing passed the ball around better and we were struggling a bit when they were getting good passes into the D and having 3 players in there. Again, were ok on the break but not passing the ball around well enough
- 3 We'll pass on this one, we gifted it to the boys to make sure they got to the final!!! They were all tired and couldn't cope with the quality the boys were passing with.

Whites (Genie) (Toby, Milo, Olli R, Alez, Charlie K, Harry R and Will Firth)

v. Surbiton. (0-1) LOSS

We started off strong with some fantastic passes from Toby down the right to Charlie who passed it to Will to run down the wing. With his speed he beat the oppo to the base line and hit the ball across the D to an oncoming Harry and Ollie. The shot was made but was defended well off the line. We had the majority of the play and many opportunities to score but frustratingly the shots were defended well or went wide. Final score 1-0.

v. Worthing(0-0) DRAW

This was not to be an easy game but with some excellent all round play by everyone and some superb clearances off the goal line by Milo and Toby we were in with a fighting chance. Some hard hits out enabled our mid fielders Alex, Charlie and Ollie to enter the oppos half passing on to our forwards Harry and Will. Again we had many opportunities to score but to no avail. In the end 0-0 score line. The third match was more of the same end to end stuff we had the most chances to score but somehow we just couldn't find the back of the net. The boys worked hard and fort to the end but again the final score 0-0.

We were then into the **PLATE** against the first team we played. We were determined to win and whilst we were definitely the stronger side with 85% of the ball we just couldn't finish it off. It ended with another 0-0 draw

Maroons (James) (Bart, Will F, Freddie L, Harry R, Will S, Chan, Jasper, Luke)

Surbiton (2-0) WIN

Good solid start with Freddie doing us a favour in goal and some great passing from the boys. Early pass from Harry R and Will put Jasper through for a good finish. Second goal scored by Will F after some neat interpassing. A nice solid start.

Our second game was probably against one of the better teams and for most of the game we kept hold of the bal well with some great clearances from Bart and Luke at the back. Harry, Chan and Will F in the middle put Will S and Jasper through for some chances but we could not quite break the deadlock.

Guildford Mixed (7-1 DRAW)

Third game saw the boys up their game and score a fair few goals. Will Sampson scored a good hat trick and Will F scored 2 ,as did Harry R (but for both teams, since we swapped him over with a few mins to go). This also gave Freddie a chance to play out and thanks for Luke for giving goalie a go!!

Semi Final Surbiton (2 – 0 WIN)

The team learnt the lessons of the second game and decided to pass the ball more. Some good inter-passing and all of them trying to slap the ball with some genuine force to improve the ball speed. Goals from Will S and Will F saw us home and ready for the final.

Final v Worthing (2 – 0 WIN)

Having upped their performance the boys did very well to score relatively early after some neat passing down the left wing for Harry R to slide in and score first. The game was very close and the whole team ran themselves to a standstill. The game was effectively closed out by Will S scoring at the far post after some valiant defending

Good work from the whole squad and when they passed the ball early they looked a useful team.

Sunday 6th November

Boys U14

Guildford 6 – 1 Ashford

A good result in a game that Guildford dominated from start to finish. We put our chances away well in the first half but seemed to lack the final pass in the second half. As always, when we pass the ball, we look like hockey players but as this game progressed the temptation to run with the ball became too great and, rather disappointingly, our performance fell away in the last quarter of the pitch — 'in the kitchen' where it really matters after all.

Despite our profligacy in front of goal, there were many things we did well. Inter-passing down the right, tackling and sealing off their 16's are good examples. There were some good performances. Hamish Owen dominated in defence and the two Harrys, Maude and Osbourne, both played well. Harry M in front of goal and Harry O in midfield. I don't think Harry O gave the ball away once, which is a ticket to sainthood for centre half. As always the whole squad contributed and they are making excellent progress.

* * *

Many thanks to Jeremy for his umpiring once again.

Many thanks to all the cake eaters out there for their support of the Boys U16 cake sale on Sunday. It raised £170 for the trip to Barcelona. The Mens 1s were particularly generous – thanks for the support chaps.
