## **Guildford HC Hockeython & Party** **May 19th, 2012**

### General information

#### **12 ½ hour Hockeython followed by the end of season party**

After 3 successful years of the rowathon raising funds for local charities and GHC it has been decided that this year we would try something new.

The charity we are fund raising for is “**Help For Heroes**”

“Help for Heroes raises money to support members of the Armed Forces who have been wounded in the service of their country. We ask our supporters to “do their bit” to show these extraordinary young men and women that they are cared for by us.” For more information visit <http://www.helpforheroes.org.uk>

It will also be a powerful advertising tool to show what a good, fun place GHC is to play at for all the family.

A preliminary timetable of the day's activities is shown below:

7.30-8.30am	Men's and Ladies 1st XI mixed match
8.45-9.45am	Coaching session - U8s and U10s boys and girls
9.50-10.50am	Coaching session - U12s boys and girls
10.55-11.55am	Men's 3s v Shadows
12.00 -12.55pm	Men's 2s v Ladies 3s (mixed)
1.00-1.55pm	Coaching session - U16s and U14s boys and girls
2.00-3.30pm	Ladies 1st XI v Combined Services
3.30-4.25pm	Ladies 2s v Gondoliers
4.30-5.25pm	Ladies 4s v Men's 4s (mixed)
5.30-6.25pm	Fireflies v Pilgrims (mixed)
6.30-8pm	Men's 1s v Combined Services
8pm onwards	Party!

Coaching clinics will be run by Ian Jennings (Jenno) the Performance Director, with coaching assistance from the Men's and Ladies 1's and the colts coaches. These clinics will consist of various skills and all colts will have the opportunity to try and score against our very own 3 x Olympic goalie, former World No 1 and England Hockey President Simon Mason. It is hoped that these clinics will lead to further coaching clinic weekends for the colts to help generate more funds for the club.

Two matches will be played against Combined Services representative sides which we felt was appropriate due to the charity we are raising funds for and they have already agreed to raise money themselves for this and are hoping to take part in the party afterwards!

The end of season party will be an exquisite finger buffet with music and fun, fun, fun!!

### How does the fund raising work?

Richard Julian (Snowy) will be sending out a template for you to use to set up your Just Giving Page. Remember to add your team name to your page name so Snowy can allocate your fundraising to your team's

total – without that you'll be in the 'unallocated column'!

You will also receive a sponsorship form for you to use and collect money the old fashioned way. **Any monies pledged on a sponsorship form need to be paid by you on the day.**

Three different coloured wrist bands will be allocated on the day:

### GREEN WRIST BAND

To take part in the day's activities but not the party in the evening a minimum of **£20** is required. This will be shown by your Just Giving page, your sponsorship form/cash you bring on the day or you can make a donation of **£20** or more on the day

### YELLOW WRIST BAND

If you raise a minimum of **£20** and want to pay for the club dinner at the same time, then **£40** will have been raised and allow entry to the club party in the evening. Again this will be shown by your Just Giving Page, your sponsorship form/cash you bring on the day.

### RED WRIST BAND

However, what we are really hoping is that everyone will try and raise a minimum of **£100** and your reward for this will be free entry into the club Party and a glass of bubbly in celebration. Again this will be shown by your Just Giving Page or your sponsorship form/cash you bring on the day.

The men's and ladies 1's have already set a target of **£4,000** between them and it would be great if the rest of the club could get behind this very worthy cause.

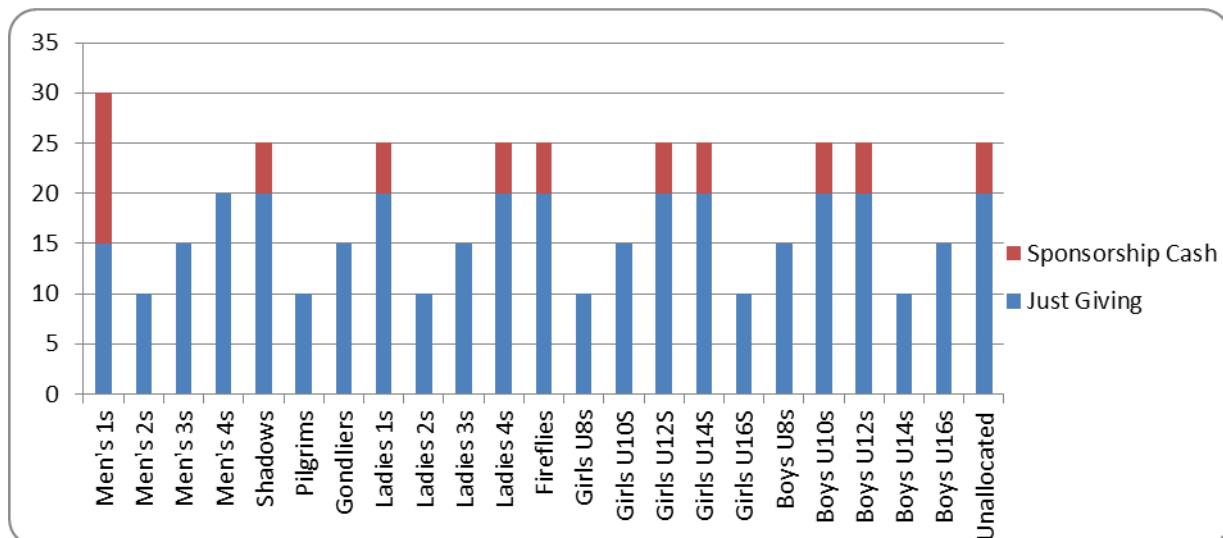

If you can't take part in the day and still want to come to the club Party all you need to do is turn up for the Party and pay **£20** on the door.

### How do I get involved?

#### SHOW YOUR SUPPORT TO YOUR CAPTAIN!

Confirm your availability to your Captain then get going with the fundraising!

A table showing the amount raised by each team will be updated on the notice board and In Touch every 2 weeks as well as updating you on the overall total money raised by the Club. An example is shown below.

More information will be coming out shortly with various fund raising ideas for the day and other exciting news. Until then please get started on the fund raising and support your Captain.... remember ...

**your CLUB AND COUNTRY NEED YOU!!!!**

Here's a summary of hockey related events from the last two months and special thanks to those involved in the colts section for some excellent reports. Enjoy.

## MEN'S SECTION

**Sunday 22<sup>nd</sup> January 2012**

### **Guildford 0 – 1 Fareham**

This was our first friendly match after the Christmas break and an excellent opportunity to shake off some of the seasonal cobwebs and get some match fitness back in the legs.

Due to various reasons, we have a pretty small squad for the rest of the season but that just means for pitch time for everyone! We know what we need to work on and this game gave us a chance to focus on these aspects.

To use a cliché, this was definitely a game of two halves. The first half saw us link up well, create some chances and defend comfortably. Jonny Haynes created a couple of decent chances for himself but using a stick held together with masking tape means that his shooting is hindered somewhat and he failed to hit the target. We also had a couple of decent short corner efforts, both from the Wizard at the top of the D, saved expertly by the defender on the line and the goalkeeper (with his head).

0-0 at half time and plenty to be pleased about. Fareham stepped up the tempo and their game in the second half but we felt that we had already done enough to win the game. That left far too much space for them to exploit and we were not securer enough on the ball or aggressive enough in 50-50 situations.

The visiting side made the most of this lapse and scored a goal in the second half. However, we must take solace from the fact that they were only able to convert from a penalty stroke. Numerous short corners were awarded to them but none converted due to some fine goalkeeping and solid defending. The stroke was awarded after Justin arrived somewhat early for a goal line clearance and tackle and so rather than wait for the ball to arrive, decided to tackle the goal instead. The five stitches in his knee confirm that it was the post 1, Justin nil.

So a one nil defeat in our first game back but plenty to take from it and plenty to work on in training. Our next friendly is on Sunday at 12pm against Premier league side Surbiton.

**Saturday 21<sup>st</sup> January**

## **Wimbledon 2's 0 - 0 Guildford 2's**

The game day started with a nice early arrival at the Wimbledon pitch, giving the team a good few hours to warm up and get heads ready for the game. As the game got started it was an even match up, with neither side taking a clear lead, as a result of this both teams had chances to score both from open play and short corners. However despite chances for both teams the score stayed at 0-0 throughout the first half. Within the second half and a good motivational talk from Guy at half time the Guildford team knew that they had their work cut out for them, having to maintain the high level of hockey that they set at the start of the game. As a result of this there were several chances to take the leading goal throughout the second half again from several short corners. This was reciprocated by the Wimbledon attacking line, resulting in five short corners in a row, however the score line maintained at 0-0. As the final whistle went the Guildford forwards managed to get a short corner which could have given them the win and a well deserved three points. Unfortunately luck was not on the teams side and the final score line was 0-0.

DoD- Joe (aka – 'Dean')

## **Gondoliers 2 – 0 Winchester (Gordon,Bigos)**

A game in which the Gondoliers seemed to dominate -took control of the midfield and the defence pushed forward to cut out any incursions. Uncharacteristically there were several short passing moves /Bigos and Jones seemed quiet and content / Gordon R scored his first goal to show other aspiring forwards (JB) it was all a question of right place at the right time. It was just as well we were on our best behaviour, as the RGS were there in force, looking for hints in the black art of hockey played by those past their sell by date

## **Guildford 4s 3 – 1 Spencer Hurricanes**

The Guildford 4s enter a tough group of matches over the next few weeks against top of the league sides. First up No. 1 in the league, Spencer Hurricanes, a team who have scored more than 60 goals in the league this season and had smashed us 9-1 earlier in the season. This Guildford side has come on leaps and bounds since those early games but still, a difficult afternoon was expected. What happened over the next couple of hours was an absolute joy and pleasure to witness from the side lines and most definitely a shock for the Spencer players who clearly had turned up expecting a similar walk in the park.

Guildford dominated from the off, created numerous chances and should have been out of sight within the first 15 minutes. Our efforts were finally rewarded mid-way through the half, a penalty flick that was coolly converted into the bottom corner. 1-0.

For all our early possession and dominance, Spencer still had their moments and at times looked dangerous on the counter. Only a quite brilliant save from goalkeeper, Dave C, kept us in front. It wasn't long however before Spencer were again reeling on the back foot, resulting in a second goal before half time. 2-0 at the break.

Spencer came out strong in the 2<sup>nd</sup> half and managed to pull a goal back early from a short corner. Any Spencer hopes of a comeback were however quickly eradicated with a short corner of our own mid-way through the 2nd half. 3-1 final score, Spencer knocked off their perch! ..... Perfect! This was by far the best display from the 4s all season both individually and as a team, each and every player should be proud of the way they played. Performances like this will see us move up the table and prove that we deserve to be in this league! .....Roll on Reigate Priory Cardinals!

MOM – Dave C – for brilliant save in 1<sup>st</sup> half at crucial period in game

DOD – Ollie L – because Dave B wasn't there!

## **Guildford Ladies 2's 1 -0 Wimbledon 1A's**

First league game back after Christmas - time to get back to business! Guildford were focused against a strong Wimbledon side. This paid off after 15 mins with a brilliant Kath Gale slot in from a short-corner.

Wimbledon were organised and developed many nice plays, Guildford stood up to the test with strong defending from the back line and Jo-Lee goalkeeping.

At half time it was 1-0, Coach Cas insisted on focus. The second half brought scoring opportunities for both sides, Man of the Match Average narrowly missed scoring after beating 2 defenders and the Wimbledon keeper.

Final whistle - 1-0, hurray!! Guildford were very happy to beat the league leaders - and despite being in 5th are only 4 points adrift from the top. It's the closest league in the world and we're ready for Battersea Park on Saturday - Bring it!

MOM- Average - pure class

DOD - Colesy - repeated geeky and some non geeky behaviour (less high in class, although slightly harsh as was injured and didn't play!)

Michael Roberts

We learned of the death of Mike Roberts at Christmas. Although we had not seen him around the Club in recent years, he will be well remembered by members for his tenacious play in midfield in various teams of the Club during the late 70s and the 80s. He had been fighting illness and the final days were spent with members of his family around him.
